

Laboratories approved to perform radiochemistry compliance testing in drinking water for WI DNR - January 2026

Wisconsin does not offer direct certification for radiochemistry testing. Wisconsin approves laboratories if they request to be added to our approved list and are accredited by a Government Accrediting Body to the TNI Standard for radiochemistry testing for which they report data to the Department.

Eurofins - South Bend

110 South Hill Street, South Bend, IN 46617
