

**[Dilly's Lake Unnamed Feature]**

**Recommended Name of Feature: Dilly's Lake**

**Current Name of Feature: Unnamed Feature (WBIC N/A)**

Unnamed	USGS - Geographic Names Information System (GNIS)
Unnamed	WDNR – Register of Waterbodies
Unnamed	WDNR - 24k Hydrology
Dilly's Lake	County GIS
Unnamed	Google Maps
Unnamed	USGS Topography
Dilly's Lake	Local Names

**Location & Description:** This feature is located east of Lost Lake and just west of Atherton Rd in Webb Lake. This unnamed waterbody is roughly 46 acres and appears to be a wetland with very little open water. Coordinates: 46.00979515963076, -92.06002064758374.

**Proponent: Emily Moore – [emoore@burnettcounty.org](mailto:emoore@burnettcounty.org)**

**Summary:** Currently, this is not a named feature except on Burnett County maps. Looking at satellite and aerial images, there is presence of an open waterbody at this location. WDNR 24K Hydro shows an unnamed waterbody. A BGN policy is to not use possessive forms in official names.

**Local Opinion:**

Town of Webb Lake -  
Burnett County – Proponent

**Decision:**
