Reason for this Proposal – Identify Problem and Need (Attach supplementary sheet if necessary)

The lake doesn't have a name

Origin and Significance of Recommended Name – Attach Supporting Documents (resolution, historical data, etc.)

Lake is surrounded by lands in a private development owned by the land developer since 2007. Gold Bar Realty is the developer's selling entity and every owner on the lake has (and likely will) purchase from them. Assigning the name Gold Bar Lake will give the lake an official name that is unique (no other lake in the state has that name) and to the land owners that use the lake.
