August 9-Milwaukee

Cost: \$135 per person, \$95 each for three or more registrants

Lead instructor for courses is Bill Lindberg, CET,CHMM. All of our instructors have extensive field experience in the subject areas they will be presenting.

- ❖ Register for courses with confidence; we will **not cancel** any regularly scheduled course.
- ❖ Additional Courses include Chemical Emergency Response, Confined Space Entry and Rescue, Hazard Communication, DOT HM-126f and Safe Forklift Operation. All courses can be customized to meet your specific requirements. We can also assist with the development of the required written programs associated with the training.

Courses can be scheduled at your location, including evenings and weekends.

5101 S. Meadowlark Lane, Hales Corners, WI 53130
