

## Flashcard Printing Instructions

We hope you enjoy these wildlife identification flash cards made using Snapshot Wisconsin photos!

Please print sheets both sided for correct formatting, while in PDF form the image should correspond opposite horizontally to the identification on the following page (see example above).

Please report any potential errors to team members at [DNRSnapshotWisconsin@wisconsin.gov](mailto:DNRSnapshotWisconsin@wisconsin.gov).

Test your animal identification skills with these *Snapshot Wisconsin* trail camera photos!  
Level: beginner

# White-tailed deer

*Odocoileus virginianus*
