

Notice of Hearing

The Department of Natural Resources announces that it will hold a public hearing on a permanent rule to revise ch. NR 10, relating revising white-tailed deer management unit boundaries, at the time and place shown below.

Hearing Information

Date: January 8, 2025

Time: 5:00 p.m.

Virtual Location Link: [Join the meeting now](#)

Rule Information:

This rule proposes a return to habitat-based deer management units in the Northern Forest Zone. It also proposes to adjust a portion of the Central Forest Deer Management Zone boundary, as well as select Metropolitan Subunit boundaries. Prior to 2014, units were bounded by major roads and rivers that surrounded areas with generally similar habitat. In response to a recommendation in the Deer Trustee Report of 2012, units were adjusted to instead align with county boundaries.
