FORESTRY MEETING: Monday, June 8th, 2026

4:00 PM – County Board Room – Courthouse – Crandon, WI

Enclosed are timber sale maps of this year's sales, with a timber sale bid form listing the minimum bids for each timber sale. Forest County Lands are 3rd Party Certified.

With each timber sale prospectus map, a bid form is included. Separate bid forms are necessary for each timber sale. Please compare the tract number at the top of each map with the tract number at the top of the timber sale bid form to be sure you are bidding on the correct timber sale. Your bid must meet or exceed the total timber sale value that was advertised. **Bid bonds are not required.**

Please list the **tract number of the sale on your envelope** when submitting bids. All timber sale contracts will be three years in length. The Forestry and Recreation Committee may grant a one-year contract extension with a 10% stumpage price increase with prior approval. No contract will exceed four years in length. Failure to sign the timber sale contract will prohibit you from bidding on future timber sales. If you are the successful bidder, you will be required to pay a **performance bond of 25% of the total bid price, provide copies of FISTA training and liability/workman's compensation certificates prior to signing the timber sale contract.**

NOTICE: FISTA and Insurance certificates must be maintained through the duration of the contract. At least one person working on the sale must be FISTA Certified. Please note the payment method for each sale. Lump Sum sales require payment in full prior to starting the sale, or arrangements must be made with the seller to make block payments. Sales using the Mill Scale Ticket System will require the Purchaser to have load tickets sent directly from the receiving mill to the Seller within (25) days. Late load tickets will be invoiced by the Seller at 20 cords per load. *****Please note: Purchaser will have 30 days to pay stumpage invoices from date of billing.**

****IMPORTANT**** To allow Forestry Department staff time to complete reference checks on timber sale bidders, all timber sale bids will be opened at 9:00am on Monday, June 8, 2026. The opening of bids will be held in the Forestry Department Office on the second floor of the Courthouse in Crandon. The bid opening will have County staff present, a Forestry and Recreation Committee member, a DNR representative and any member of the public wishing to attend the opening and recording of bids. No bids will be awarded at this time. All timber sale bids will be summarized and presented to the Forestry and Recreation Committee on Monday, June 8, 2026 at 4:00pm in the County Board Room of the Courthouse in Crandon. At this time, the Forestry and Recreation Committee will review and award timber sale contracts to successful bidders.
