Cutting Specifications

Unit 1- Hardwood Thinning: 80 Acres. Cut all trees marked with orange paint. Cut all merchantable aspen and balsam fir. Do not cut any trees marked with green paint. Unit is bound by red and blue paint.

Unit 2- Birch Shelterwood: 17 Acres. Cut all stems 2" DBH and greater except **do not cut aspen**, pine, spruce, hemlock, oak, or green-marked trees. Unit is bound by red paint.

Operational Considerations

- **Harvesting and skidding is only allowed on frozen ground (winter only).**
- Access will be off Hadley Road approximately 1.9 miles from sale area.
- Access will cross both private lands and Iron County Forest. **The State has secured verbal assurances from private landowner, but it will be responsibility of purchaser to formalize.**
- Minimum top diameter is 4" DBH
- Evenly disperse slash throughout the sale area. Pull all slash 20 feet away from private boundary lines.
- All landings and new logging roads will need forester approval
