The performance bond will be 15% of the total sale value. Contract length is approximately three years.

**SPECIAL SALE CONDITIONS:**

This sale will be restricted to very dry or frozen ground.

Portions of the sale are restricted to frozen ground due to the quantity and distribution of exotic honeysuckle.

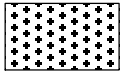

If decking is done on the hunter walking trail or open road, all slash and ends will be removed from the road and ditches concurrently with each truckload.

The portion of the sale indicated as aspen conversion/wildlife area will be mowed by department staff. This portion of the sale must be cut within one year of the mowing operation. Department staff will coordinate with the contractor to time the mowing operation to when the contractor has begun harvesting areas of the sale and soil conditions would allow for harvest/mowing in this area.

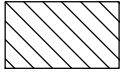

For sale inspection, call 715-332-5271 ext. 106 or ext. 109 for the combination of the lock for the gate. Please do not go around the gate.

All additional restrictions listed in prospectus and standard contract apply unless specified.
