SPECIAL SALE CONDITIONS:

Equipment use will be restricted to very dry or frozen ground due to wet soil conditions.

No cutting during the months of April, May, or June in selection harvests due to bark being easily damaged at these times.

Use of a continuous rotating saw head will not be allowed in the selection area due to density and distribution of regeneration.

A wildlife opening is adjacent to the sale area. This area shall not be used for landings or decking. This area should also not be heavily used by equipment such as for turn arounds or skid trails.

When decking on the hunter/walking trail, all slash and ends will be removed from the trail concurrently with each truckload.

For sale inspection, call 715-332-5271 ext. 106 for the combination of the lock for the gate. Please do not go around gate.

All additional restrictions listed in prospectus and standard contract apply unless specified.
