**Total Minimum Bid Value** $159,923.00

Special Conditions:
1. Do not harvest or operate machinery within 20 feet of any ephemeral pond or lowland area. Cutting must be concurrent for all species to be harvested.

2. Do not cut, knock down, or utilize any dead standing snags. Do not cut trees marked with green paint or with an orange “X”.

3. No tops or slash allowed across any blue line, red line or within any wetland. All slash must be lopped and scattered within 2 feet of the ground and pulled back into the sale area at least 10 feet away from the adjacent private lands and public roads.

4. Snowmobile trail must be kept free of debris, snow covered in winter, and left in good condition for vehicle traffic at all times. All trails must be repaired to pre-harvest conditions before the start of each snow season. All landings and any new woods roads must be approved prior to sale start up. All approaches to Vandercook Road must comply with the Town of Arbor Vitae’s, approved private driveway permit which requires “Caution Trucks Hauling” signs posted whenever trucks are entering, onto Vandercook Road, from the sale area.

5. In ZONE A, all harvesting activity allowed July 15 – April 15 only, to help prevent oak wilt infection.

6. If the contract is to be worked on during multiple time periods a mid-contract “pull-off” inspection meeting will be required. One-week notice shall be given by the contractor prior to moving equipment off-site. During the “pull-off” inspection, provisions needing attention will be documented. The contractor at that time can decide to remedy them before pulling equipment off or rectify them when moving back onto the site. If the latter is chosen, documented items shall be addressed before harvesting can continue.
Main Sale Area (137 Acres): Cut all aspen, birch, maple, balsam fir (with 3 or more sticks) and trees marked with orange paint. Cut all 1-5" aspen and maple concurrently.

Aspen Area (41 Acres): Cut all aspen, birch, red maple and balsam fir (with 3 or more sticks). Cut all 1-5" aspen and maple concurrently.

Orange Marked Area (2 Acres): Cut only those trees marked with orange paint.

Note: In Zone A, no harvesting or skidding allowed from April 15 to July 15 due to the risk of Oak Wilt. Do NOT cut trees marked with green paint or with an orange "X."
