Special Conditions

1. **SEASONAL RESTRICTION:**
   a. Zone A: Cutting permitted year round.
   b. Zone B: No harvest activity between April 15 and October 15.

   The line marking the boundary between Zone A and B is not marked in the field; it will be flagged by the sale administrator if necessary.

2. The use of two timber mats are REQUIRED to gain access to the island of aspen as shown on the sale map. Mats are available at the Trout Lake Forestry Headquarters for use under certain terms and conditions.

3. All landings and any new roads must be approved prior to sale start up. All roads must be cleared of debris and leveled upon sale completion.

4. All pine products cut between May 1 and September 1 must be removed from the sale area within three weeks from time of cutting. Pine products cut during the remainder of the year must be removed prior to May 1 of each year.
5. Slash within 50 feet of the private driveway, boat landing road, campground road and campsites must be lopped and scattered within 2 feet of the ground and pulled back into the sale area at least 10 feet from the road, boat landing and campsite perimeter.
