Timber sale volume (for all species) equates to approximately 42 tons/acre or approximately 18 cords/acre

Conversion factors: A 2.25 tons/ cord, MR 2.275 tons/ cord, FB 2.125 tons/ cord, OR 2.750 tons/ cord

Special Conditions:

- 1. Seasonal restriction: Units designated in the map key as "A" have an oak wilt restriction; restricting all equipment use during the period April 15 and July 15.**
2. Do not cut, knock down or utilize any dead trees unless they are a safety hazard.
3. Slash within 50 feet of all roads, trails, private land, and waterbodies must be lopped and/or scattered to lie within two feet of the ground and be pulled back 10 feet behind the tree line concurrently with cutting. No slash allowed across any blue line, or within any wetland or waterbody.
4. Do not cut any trees within 15 feet of ephemeral ponds. Access along the south boundary of the northern roadside strip may require timber matting or frozen ground conditions. Harvesting the spruce stand requires frozen ground.
5. Cutting must be concurrent for all species to be harvested. Do not damage residual trees
6. All landings and any new woods roads must be approved by the timber sale administrator.
7. If the contract is to be worked on during multiple time periods a mid-contract "pull-off" inspection meeting will be required. One-week notice shall be given by the contractor prior to moving equipment off site. During the "pull-off" inspection, provisions needing attention will be documented. The contractor at that time can decide to remedy them before pulling equipment off or rectify them when moving back onto the site. If the latter is chosen, documented items shall be addressed before harvesting can continue.
8. All pine products cut between April 1- Sept. 1 must be removed from the sale area within 3 weeks from the time of cutting. Pine products cut during the remainder of the year must be removed prior to April 1 of each year.
9. Snowmobile & hunter walking trails lie within the sale area and shall be posted/ maintained in acceptable conditions.

**Notice:** Completion of this form is mandatory. The Department will not recognize your bid unless you complete and submit this form. Personal information collected will be used for program administration and may be provided to requesters as required by Wisconsin's Public Records law [ss. 19.31-19.39, Wis. Stats.].

I understand that any or all bids may be rejected and that consideration and awarding of a contract will be based upon my past performance and ability to complete contracts. **I also understand that if I am the winning bidder, I have 6 weeks from the date of the bid opening to submit an acceptable performance bond. I also understand that if I am awarded the contract and fail to execute it or work under it, I will be required to forfeit to the Department an amount equal to 10% of my total bid amount.** Failure to forfeit the 10% penalty will result in being considered ineligible to bid on any state timber sales for a two-year duration. In the event the highest bidder can not or will not sign the contract, the award may be made to the next highest qualified bid.

By checking this box, I certify that I hold a Wisconsin Master Logger Certification.

**Notice:** I understand:

Utilization specifications and estimated volumes are listed in the prospectus which is available upon request from the Department.

A copy of the standard timber sales contract which must be entered into is available upon request from the Department.
