- Section Corner

### Compartment 76

Stand 14 (38 Acres) is a 100 year old white pine stand with a strong red pine component. The stand is scheduled for a thinning to improve vigor and health.

### Compartment 107

Stand 11 (87 Acres) is a 53 year old aspen stand that is scheduled for a coppice with standards. This stand is also part of a great aspen break up project across the whole compartment to improve landscape diversity and wildlife habitat.

This map is not a survey of the actual boundary of any property this map depicts.
