RE: Adams County Sanitary Landfill
Proposed Solid Waste Landfill Vertical Expansion

Dear Clerks:

Adams County Solid Waste Department (County) is by way of this certified letter formally notifying you of our proposal to expand its current solid waste landfill facility. The County currently operates a solid waste landfill located within SW $\frac{1}{4}$, NE $\frac{1}{4}$, Section 13, Township 18 North, Range 5 East, Adams County, Wisconsin.

The proposed landfill expansion consists of a vertical expansion for the 21.9-acre contiguous existing landfill. The expansion will overlay its waste from west to east of the existing landfill to promote a minimized landfill footprint. The limits of waste of the landfill will remain the same. The proposed landfill expansion footprint lies within property owned by Adams County Solid Waste in the Town of Strong's Prairie, Adams County.

Pursuant to Section 289.22 of the Wisconsin State Statutes, the County hereby requests notification of any and all local approvals as defined by Section 289.33(3)(d) of the Wisconsin State Statutes for the establishment and operation of a solid waste facility.

The following information regarding our proposed expansion should assist you in responding:

Applicant Name/Address:	Adams County Solid Waste Department 1420 State Highway 21 Friendship, WI 53934
Type of Facility:	Vertical expansion of existing municipal solid waste landfill.
Landfill Location:	SW $\frac{1}{4}$, NE $\frac{1}{4}$, Section 13, T18N, R5E
List of Affected Municipalities:	Town of Strong's Prairie Town of Preston Adams County

Enclosed for your references is a copy of a printed "Standard Notice" prepared by the Wisconsin Waste Facility Siting Board. Pursuant to Section 289.22 we are required to submit a copy of this notice to you along with this request for identification of your local ordinances.

Please respond to this request within 15 days of receipt.

Thank you for your attention to this request.

Sincerely,

Adams County Solid Waste Department

Charlie Kuhn
Director of Solid Waste & Recycling
