**Subject:** Fwd: Vertical Expansion Notification

Here is the response that I received from Preston awhile ago. I never received anything back from Strong Prairie. Letters were sent to the Citing board and library.

Hey Charlie,

That is all we needed. Since there wasn't a response prior to the 15 receipt deadline, technically we can proceed without any of their involvement. I was curious on the timing they would have responded. Can you send me the certified return receipts? We can provide this documentation to the Waste Siting Board for their 60 day arbitration process. We should be all set from there for local approvals.

Also let me know a time available for us to talk about the borrow site. I have still heard nothing from Colin on the ADC approval.

Thanks,

Michael

Here is the response I got from Preston. Let me know if this is all you need or if there is more they need to send over.

Town Clerks,

A few weeks back a notification letter was sent to both Preston and Strong's Prairie informing them about the vertical expansion permitting that the landfill is currently undergoing. In that letter we have requested that the towns submit to us identification of your local ordinances within 15 days of receipt of the letter. I am just following up with both of

you to check on the status in getting these ordinances from you. Please let me know if you have any questions and I look forward to hearing from you.

Good Afternoon Charlie,

Attached are the documents I have related to Adams County Solid Waste & Recycling.

Attached Documents:

1. Adams County Recycling Ordinance
2. Negotiated Settlement Agreement Between Adams County and the Town of Preston County Landfill Site

I have no record of additional ordinances related to the Landfill Site.

Thank you

**Randy**

Preston Clerk
