

**APPENDICES**

---

Appendix A: WDNR NR 504 and 512 Checklists  
Appendix B: Correspondence  
Appendix C: Water Supply Wells Information  
Appendix D: Wetland Information  
Appendix E: Local Notifications, Approvals and Report Submittal to Municipalities  
Appendix F: Compliance Letter  
Appendix G: Alternative Geotechnical Investigation Program  
Appendix H: Soil Boring Information  
Appendix I: Monitoring Well Information  
Appendix J: Geotechnical Test Results  
Appendix K: Field Hydraulic Conductivity Test Data  
Appendix L: Water Quality Results  
Appendix M: Storm Water Pollution and Prevention Plan  
Appendix N: WDNR Waste Tonnage Capacity Reports  
Appendix O: Special Waste Acceptance Plan  
Appendix P: Leachate Information  
Appendix Q: Preliminary Surface Water Calculations  
Appendix R: Existing Facility Evaluation Documentation  
Appendix S: Design Capacity and Material Balance Calculations  
Appendix T: Preliminary Geotechnical Calculations  
Appendix U: Procedures for Environmental Monitoring and Analysis  
Appendix V: Clay Borrow Source Information
