SUBJECT: US Army Headquarters, Fort McCoy WWTP Adaptive Management Plan

Dear Mr. Miller,

Thank you for submitting the Fort McCoy Adaptive Management Plan on August 1, 2017. This report was submitted as the chosen option to pursue final phosphorus limit compliance. The Department has reviewed the report and has no comments at this time. The final Adaptive Management Plan will be included as part of the public noticed package for permit reissuance. You should expect to see adaptive management requirements in the draft permit WI-0022420-08 for public notice including in-stream monitoring. Subject to public comments, the department sees no barriers for approval of your Adaptive Management Plan.

If you have any questions or comments, feel free to call me at (715) 839-3712 or e-mail me at Benjamin.Hartenbower@wisconsin.gov.

Sincerely,

A handwritten signature in black ink, appearing to read 'Benjamin Hartenbower'.

Benjamin Hartenbower, P.E.
Wastewater Engineer
