

STATE OF WISCONSIN DEPARTMENT OF NATURAL RESOURCES

PUBLIC NOTICE OF INTENT TO MODIFY A WISCONSIN POLLUTANT DISCHARGE ELIMINATION SYSTEM (WPDES) PERMIT No.WI-0029327-11-3

Permittee: Grand Geneva Resort & Spa, 7036 Grand Geneva Way, Lake Geneva, WI 53147

Facility Where Discharge Occurs: Grand Geneva Resort & Spa, 7036 Grand Geneva Way, Lake Geneva, WI 53147

Receiving Water And Location: Wetland adjacent to Como Creek (White River and Nippersink Creek Watershed in the Middle Fox (IL) River Basin) in Walworth County

Brief Facility Description: The Grand Geneva Resort and Spa is located at Sheridan Springs Road just north of Lake Geneva in Walworth County. Wastewater is treated in a 0.4 million gallon per day (MGD) annual average design flow Sanitaire Mark IV C-35 wastewater treatment facility (WWTF) which can be operated in conventional plug flow or contact stabilization mode. Wastewater treatment includes communitation, aeration, and clarification. After sampling, effluent is discharged to a small pond (0.4 acres) that overflows to another pond (2.0 acres). After a holding time of approximately 7-10 days in the ponds, effluent is discharged to a large wetland area that is contiguous with Como Creek and the White River. Digested sludge is presently taken offsite via a contracted hauler.

Permit Drafter's Name, Address, Phone and Email: Sarah Donoughe, DNR, 2984 Shawano Ave, Green Bay, WI 54313-6727, (920) 366-6076, Sarah.Donoughe@wisconsin.gov

Basin Engineer's Name, Address, Phone and Email: Nicholas Lent, DNR, 1027 W St Paul Ave, Milwaukee, WI 53233, (414) 897-5723, Nicholas.Lent@wisconsin.gov

Proposed Modification: The permit modification is proposed to reduce the effluent PFOS/PFOA sampling frequency from 1/2 months to annual, after a review of submitted data, pursuant to s. NR 205.066, Wis. Adm. Code.

The Department has tentatively decided that the above-specified WPDES permit should be modified.

Persons wishing to comment on or object to the proposed permit action, or to request a public hearing, may write to the Department of Natural Resources at the above-named permit drafter's address. All comments or suggestions received no later than 30 days after the publication date of this public notice will be considered along with other information on file in making a final decision regarding the permit. Anyone providing comments in response to this public notice will receive a notification of the Department's final decision when the permit is issued. Where designated as a reviewable surface water discharge permit, the U.S. Environmental Protection Agency is allowed up to 90 days to submit comments or objections regarding this permit determination. If no comments are received on the proposed permit from anyone, including U.S. EPA, the permit will be issued as proposed.

The Department may schedule a public informational hearing if requested by any person and shall schedule a public informational hearing if a petition requesting a hearing is received from 5 or more persons or if response to this notice indicates significant public interest pursuant to s. 283.49, Wis. Stats. Requests for a public informational hearing shall state the following: the name and address of the person(s) requesting the hearing; the interest in the proposed permit of the person(s) requesting the hearing; the reasons for the request; and the issues proposed to be considered at the hearing.

Information on file for this permit action, including the draft permit, fact sheet and permit application, may be inspected and copied at either the above-named permit drafter's office or the above named basin engineer's office, Monday through Friday (except holidays), between 9:00 a.m. and 3:30 p.m. Please call the permit drafter or basin engineer for directions to their office location, if necessary. Information on this permit action may also be obtained by calling the permit drafter at (920) 366-6076 or by writing to the Department. Reasonable costs (15 cents per page for copies and 7 cents per page for scanning) will be charged for information in the file other than the public notice, permit and fact sheet. Permit information is also available on the internet at:

<http://dnr.wi.gov/topic/wastewater/PublicNotices.html>. Pursuant to the Americans with Disabilities Act, reasonable accommodation, including the provision of informational material in an alternative format, will be made to qualified individuals upon request.
