STATE OF WISCONSIN DEPARTMENT OF NATURAL RESOURCES

PUBLIC NOTICE OF INTENT TO REISSUE A WISCONSIN POLLUTANT DISCHARGE ELIMINATION SYSTEM (WPDES) PERMIT No.WI-0030481-11-0

Permittee: MHC Rainbow Lake, LLC, Two North Riverside Plaza, Sui, Chicago, IL, 60606

Facility Where Discharge Occurs: MHC Rainbow Lake, LLC, 19990 128th St., Bristol, WI

Receiving Water And Location: Diffuse Wetland to Mud Lake in Des Plaines River Watershed of Fox (IL) River Basin in Kenosha County.

Brief Facility Description: MHC Rainbow Lake LLC is a privately-owned domestic wastewater treatment facility (WWTF) which serves residents of approximately 300 manufactured homes in the Town of Bristol. Incoming wastewater flows by gravity to a sewage grinder and is then pumped from the influent lift station to the WWTF. Current treatment processes include an activated sludge aeration tank, final clarification and cascade aeration prior to discharge of final effluent south of the WWTF. Waste activated sludge is treated in an aerobic digester and then stored in a second tank prior to removal by a licensed and permitted contract hauler.

The Department has tentatively decided that the above-specified WPDES permit should be reissued.

Persons wishing to comment on or object to the proposed permit action, or to request a public hearing, may write to the Department of Natural Resources at the above-named permit drafter's address. All comments or suggestions received no later than 30 days after the publication date of this public notice will be considered along with other information on file in making a final decision regarding the permit. Anyone providing comments in response to this public notice will receive a notification of the Department's final decision when the permit is issued. Where designated as a reviewable surface water discharge permit, the U.S. Environmental Protection Agency is allowed up to 90 days to submit comments or objections regarding this permit determination. If no comments are received on the proposed permit from anyone, including U.S. EPA, the permit will be issued as proposed.

The Department may schedule a public informational hearing if requested by any person and shall schedule a public informational hearing if a petition requesting a hearing is received from 5 or more persons or if response to this notice indicates significant public interest pursuant to s. 283.49, Wis. Stats. Requests for a public informational hearing shall state the following: the name and address of the person(s) requesting the hearing; the interest in the proposed permit of the person(s) requesting the hearing; the reasons for the request; and the issues proposed to be considered at the hearing.

Information on file for this permit action, including the draft permit, fact sheet and permit application, may be inspected and copied at either the above-named permit drafter's office or the above named basin engineer's office, Monday through Friday (except holidays), between 9:00 a.m. and 3:30 p.m. Please call the permit drafter or basin engineer for directions to their office location, if necessary. Information on this permit action may also be obtained by calling the permit drafter at (608) 228-9475 or by writing to the Department. Reasonable costs (15 cents per page for copies and 7 cents per page for scanning) will be charged for information in the file other than the public notice, permit and fact sheet. Permit information is also available on the internet at: http://dnr.wi.gov/topic/wastewater/PublicNotices.html. Pursuant to the Americans with Disabilities Act, reasonable accommodation, including the provision of informational material in an alternative format, will be made to qualified individuals upon request.
