

STATE OF WISCONSIN DEPARTMENT OF NATURAL RESOURCES

PUBLIC NOTICE OF INTENT TO REISSUE A WISCONSIN POLLUTANT DISCHARGE ELIMINATION SYSTEM (WPDES) PERMIT No.WI-0032077-09-0

Permittee: Village of Oxford, PO Box 122, Oxford, WI, 53952

Facility Where Discharge Occurs: Oxford Wastewater Treatment Facility, Fandrich Street / 2nd Court, Section 20, T15N, R8E, Marquette County, Wisconsin

Receiving Water And Location: Neenah Creek, southwest of the Village on Fandrich Street.

Brief Facility Description: The facility consists of two primary stabilization lagoons and a single secondary lagoon followed by a pair of sand filters that are not in use but are maintained for potential use. Discharge from the lagoons enters an effluent ditch to Neenah Creek approximately 320 ft to the east of the facility, approximately 0.83 mile downstream from the creek crossing at W. Chauncey St. A greater than 180-day detention time is maintained. The last sludge removal event was in 2006. Sludge removal is expected in this permit term.

Permit Drafter's Name, Address, Phone and Email: Marissa Fleege, 1027 W St Paul Ave, Milwaukee, WI, 53233, (608) 228-9475, Marissa.Fleege@wisconsin.gov

Basin Engineer's Name, Address, Phone and Email: Jordan Main, 141 NW Barstow St, Room 180, Waukesha, WI 53188, (608) 535-0368, jordan.main@wisconsin.gov

The Department has tentatively decided that the above-specified WPDES permit should be reissued.

Persons wishing to comment on or object to the proposed permit action, or to request a public hearing, may write to the Department of Natural Resources at the above-named permit drafter's address. All comments or suggestions received no later than 30 days after the publication date of this public notice will be considered along with other information on file in making a final decision regarding the permit. Anyone providing comments in response to this public notice will receive a notification of the Department's final decision when the permit is issued. Where designated as a reviewable surface water discharge permit, the U.S. Environmental Protection Agency is allowed up to 90 days to submit comments or objections regarding this permit determination. If no comments are received on the proposed permit from anyone, including U.S. EPA, the permit will be issued as proposed.

The Department may schedule a public informational hearing if requested by any person and shall schedule a public informational hearing if a petition requesting a hearing is received from 5 or more persons or if response to this notice indicates significant public interest pursuant to s. 283.49, Wis. Stats. Requests for a public informational hearing shall state the following: the name and address of the person(s) requesting the hearing; the interest in the proposed permit of the person(s) requesting the hearing; the reasons for the request; and the issues proposed to be considered at the hearing.

Information on file for this permit action, including the draft permit, fact sheet and permit application, may be inspected and copied at either the above-named permit drafter's office or the above named basin engineer's office, Monday through Friday (except holidays), between 9:00 a.m. and 3:30 p.m. Please call the permit drafter or basin engineer for directions to their office location, if necessary. Information on this permit action may also be obtained by calling the permit drafter at (608) 228-9475 or by writing to the Department. Reasonable costs (15 cents per page for copies and 7 cents per page for scanning) will be charged for information in the file other than the public notice, permit and fact sheet. Permit information is also available on the internet at:

<http://dnr.wi.gov/topic/wastewater/PublicNotices.html>. Pursuant to the Americans with Disabilities Act, reasonable accommodation, including the provision of informational material in an alternative format, will be made to qualified individuals upon request.
