

STATE OF WISCONSIN DEPARTMENT OF NATURAL RESOURCES

PUBLIC NOTICE OF INTENT TO REISSUE A WISCONSIN POLLUTANT DISCHARGE ELIMINATION SYSTEM (WPDES) PERMIT No.WI-0028363-11-0

Permittee: SPRING GREEN GOLF CLUB SANITARY DISTRICT #2, 1704 South Springs Drive, Spring Green, WI, 53588

Facility Where Discharge Occurs: Spring Green Golf Club Sanitary Dist #2 WWTF, CTH "C", NEQ, NEQ, SEC 25, T8N, R3E, WYOMING TWP, IOWA COUNTY

Receiving Water And Location: Unnamed Tributary of Lowery Creek in Iowa County. Discharge location is approximately 150 feet north of County Road "C" and 0.6 miles west of County Road "C" and St. Hwy 23 intersection.

Brief Facility Description: The Spring Green Golf Club Sanitary District #2 WWTF provides secondary treatment to domestic wastewater generated in the Spring Green Golf Club Sanitary District service area. Treatment units include mechanical screening, oxidation ditch and covered circular final clarifier secondary treatment, seasonal chlorine contact disinfection, and dechlorination. A ferric chloride feed system installation was completed in September of 2024 for treatment of phosphorus and Water Quality Trading will be used to offset the remainder of phosphorus in excess of the limit. The effluent discharges to an unnamed tributary of Lowery Creek. Sludge produced is stored in an on-site liquid storage tank and sent to another permitted facility for final treatment and disposal. The facility is designed to treat an average daily flow of 0.0893 MGD.

Permit Drafter's Name, Address, Phone and Email: Laura James, 101 S Webster St, Madison, WI, 53707, (608) 740-0085, Laura.James@wisconsin.gov

Basin Engineer's Name, Address, Phone and Email: Kenzie Ostien, 3911 Fish Hatchery Road, Fitchburg, WI 53711, (608) 516-6487, kenzie.ostien@wisconsin.gov

The Department has tentatively decided that the above-specified WPDES permit should be reissued.

Limitations and conditions which the Department believes adequately protect the receiving water are included in the proposed permit. Land application of waste shall be done in accordance with permit conditions and applicable codes. All land application sites shall be approved prior to their use. To receive a list of approved sites, or to be notified of potential approvals, contact the above-named basin engineer.

Persons wishing to comment on or object to the proposed permit action, or to request a public hearing, may write to the Department of Natural Resources at the above-named permit drafter's address. All comments or suggestions received no later than 30 days after the publication date of this public notice will be considered along with other information on file in making a final decision regarding the permit. Anyone providing comments in response to this public notice will receive a notification of the Department's final decision when the permit is issued. Where designated as a reviewable surface water discharge permit, the U.S. Environmental Protection Agency is allowed up to 90 days to submit comments or objections regarding this permit determination. If no comments are received on the proposed permit from anyone, including U.S. EPA, the permit will be issued as proposed.

The Department may schedule a public informational hearing if requested by any person and shall schedule a public informational hearing if a petition requesting a hearing is received from 5 or more persons or if response to this notice indicates significant public interest pursuant to s. 283.49, Wis. Stats. Requests for a public informational hearing shall state the following: the name and address of the person(s) requesting the hearing; the interest in the proposed permit of the person(s) requesting the hearing; the reasons for the request; and the issues proposed to be considered at the hearing.

Information on file for this permit action, including the draft permit, fact sheet and permit application, may be inspected and copied at either the above-named permit drafter's office or the above named basin engineer's office, Monday through Friday (except holidays), between 9:00 a.m. and 3:30 p.m. Please call the permit drafter or basin engineer for directions to their office location, if necessary. Information on this permit action may also be obtained by calling the permit drafter at (608) 740-0085 or by writing to the Department. Reasonable costs (15 cents per page for copies and 7 cents per page for scanning) will be charged for information in the file other than the public notice, permit and fact sheet. Permit information is also available on the internet at:

<http://dnr.wi.gov/topic/wastewater/PublicNotices.html>. Pursuant to the Americans with Disabilities Act, reasonable accommodation, including the provision of informational material in an alternative format, will be made to qualified individuals upon request.
