Stoney Acres Dairy LLC is a Concentrated Animal Feeding Operation (CAFO) owned and operated by Bryce Harding. It currently has 1,544 animal units and based on current herd size, Stoney Acres Dairy has approximately 337 days of liquid waste storage. There is a planned herd size of 1,670 animal units (1190 milking & dry cows, 440 heifers, 40 calves) by 2027. Stoney Acres Dairy generates 17,253,587 gallons of liquid manure and process wastewater and 986 tons of solid manure annually. Stone Acres has a total of 2,683 acres available for land application of manure and process wastewater. Of this acreage, 2,665 acres are spreadable, 464 owned, and 2,219 are rented or controlled through contacts.

The Department has tentatively decided that the above specified WPDES permit should be issued. This WPDES permit action is an integrated analysis action under s. NR 150.20(2), Wis. Adm. Code, and does not require a separate action under NR 150, Wis. Adm. Code.

Permit Drafter's Name, Address, Phone and Email: Makayla Jacobs, DNR, 101 N Ogden Rd, Peshtigo, WI, 54157-1734, (920) 573-8033, makayla.jacobs@wisconsin.gov

Persons wishing to comment on or object to the proposed permit action, the terms of the nutrient management plan, or the application, or to request a public informational hearing may write to the Department of Natural Resources at the permit drafter's address. All comments or suggestions received no later than 30 days after the publication date of this public notice will be considered along with other information on file in making a final decision regarding the permit. Anyone providing comments in response to this public notice will receive a notification of the Department's final decision when the permit is issued. Where designated as a reviewable surface water discharge permit, the U.S. Environmental Protection Agency is allowed up to 90 days to submit comments or objections regarding this permit determination. If no comments are received on the proposed permit from anyone, including U.S. EPA, the permit will be issued as proposed.

The Department may schedule a public informational hearing if within 30 days of the public date of this notice, a request for a hearing is filed by any person. The Department shall schedule a public informational hearing if a petition requesting a hearing is received from USEPA or from 5 or more persons or if the Department determines there is significant public interest. Requests for a public informational hearing shall state the following: the name and address of the person(s) requesting the hearing; the interest in the proposed permit of the person(s) requesting the hearing; the reasons for the request; and the issues proposed to be considered at the hearing.

Information on file for this permit action, including the draft permit and fact sheet (if required), the operation's nutrient management plan and application may be inspected and copied at the permit drafter's office, Monday through Friday (except holidays), between 9:00 a.m. and 3:30 p.m. Please call the permit drafter for directions to their office location, if necessary. Information on this permit action may also be obtained by calling the permit drafter at (920) 573-8033 or by writing to the Department. Reasonable costs (15 cents per page for copies and 7 cents per page for scanning) will be charged for information in the file other than the public notice and fact sheet. Permit information is also available on the internet at: <http://dnr.wi.gov/topic/wastewater/PublicNotices.html>. Pursuant to the Americans with Disabilities Act, reasonable accommodation, including the provision of informational material in an alternative format, will be made to qualified individuals upon request.
