Permittee: The Cattle Corner LLC, 5580 Humboldt Rd, Luxemburg, WI, 54217

Facility Where Discharge Occurs: The Cattle Corner LLC, 5580 Humboldt Road Luxemburg

Receiving Water And Location: Surface water and groundwater within the unnamed tributaries within the Kewaunee River Watershed, Lake Michigan Drainage Basin, and groundwaters of the state.

Brief Facility Description : The Cattle Corner, LLC is an existing Concentrated Animal Feeding Operation (CAFO) located in the township of Humboldt in Brown County. The Cattle Corner, LLC is owned and operated by Timothy Van Pay. The production site is located on the southwest corner of the intersection of Humboldt Road (County Road N) and County Road P and consists of three barns, one outdoor lot, one vegetated treatment area, and one liquid waste storage facility. The current herd size is 1,352.5 animal units (1,575 heifers and 350 dairy calves). The Cattle Corner, LLC produces approximately 6.1 million gallons of manure and process wastewater annually. All waste generated is stored in a liquid waste storage facility that was built in 2009 and has a storage capacity of 6,674,629 gallons. As of January 2026, The Cattle Corner, LLC has 371 days of storage, which is greater than the required minimum of 180 days of storage. The Cattle Corner, LLC owns and rents approximately 1,391 acres, of which 1,323 acres are available for manure application.

The Department has tentatively decided that the above specified WPDES permit should be reissued.

Permit Drafter's Name, Address, Phone and Email: Brittiny Mueller, 2984 Shawano Ave, Green Bay, WI, 54313, (608) 228-9184, [brittiny.mueller@wisconsin.gov](mailto:brittiny.mueller@wisconsin.gov)

Persons wishing to comment on or object to the proposed permit action, the terms of the nutrient management plan, or the application, or to request a public informational hearing may write to the Department of Natural Resources at the permit drafter's address. All comments or suggestions received no later than 30 days after the publication date of this public notice will be considered along with other information on file in making a final decision regarding the permit. Anyone providing comments in response to this public notice will receive a notification of the Department's final decision when the permit is re-issued. Where designated as a reviewable surface water discharge permit, the U.S. Environmental Protection Agency is allowed up to 90 days to submit comments or objections regarding this permit determination. If no comments are received on the proposed permit from anyone, including U.S. EPA, the permit will be re-issued as proposed.

The Department may schedule a public informational hearing if within 30 days of the public date of this notice, a request for a hearing is filed by any person. The Department shall schedule a public informational hearing if a petition requesting a hearing is received from USEPA or from 5 or more persons or if the Department determines there is significant public interest. Requests for a public informational hearing shall state the following: the name and address of the person(s) requesting the hearing; the interest in the proposed permit of the person(s) requesting the hearing; the reasons for the request; and the issues proposed to be considered at the hearing.

Information on file for this permit action, including the draft permit and fact sheet (if required), the operation's nutrient management plan and application may be inspected and copied at the permit drafter's office, Monday through Friday (except holidays), between 9:00 a.m. and 3:30 p.m. Please call the permit drafter for directions to their office location, if necessary. Information on this permit action may also be obtained by calling the permit drafter at (608) 228-9184 or by writing to the Department. Reasonable costs (15 cents per page for copies and 7 cents per page for scanning) will be charged for information in the file other than the public notice and fact sheet. Permit information is also available on the internet at: <http://dnr.wi.gov/topic/wastewater/PublicNotices.html>. Pursuant to the Americans with Disabilities Act, reasonable accommodation, including the provision of informational material in an alternative format, will be made to qualified individuals upon request.
