

STATE OF WISCONSIN DEPARTMENT OF NATURAL RESOURCES

PUBLIC NOTICE OF INTENT TO MODIFY A WISCONSIN POLLUTANT DISCHARGE ELIMINATION SYSTEM (WPDES) PERMIT No.WI-0029114-10-1

Permittee: VILLAGE OF LOGANVILLE, P O Box 128, Loganville, WI, 53943-0128

Facility Where Discharge Occurs: Loganville Wastewater Treatment Facility, SEQ, SWQ, SEC 4, T11N, R4E, WESTFIELD, TWP, LOGANVILLE, WISCONSIN

Receiving Water And Location: Narrows Creek (Narrows Creek/Baraboo River Watershed, LW22 – Lower Wisconsin River Basin) in Sauk County

Brief Facility Description: The Village operates a two-cell stabilization lagoon wastewater treatment facility (WWTF) providing secondary treatment to a combination of domestic and commercial wastewater. The lagoons are clay lined and were constructed in 1969. Surface area of the first lagoon is approximately 4.5 acres and the second pond approximately 1.1 acres. The facility is designed to treat an average daily flow of 0.045 MGD. Disinfection is not required. The Village provides a public water supply and has a population of about 300. No growth of the community is expected in the next five years. Biosolids are stored in the lagoons and the Village does not have plans to desludge the lagoons in the next five years. The Village has been found to be in substantial compliance with its current permit.

The Department has tentatively decided that the above-specified WPDES permit should be modified.

Persons wishing to comment on or object to the proposed permit action, or to request a public hearing, may write to the Department of Natural Resources at the above-named permit drafter's address. All comments or suggestions received no later than 30 days after the publication date of this public notice will be considered along with other information on file in making a final decision regarding the permit. Anyone providing comments in response to this public notice will receive a notification of the Department's final decision when the permit is issued. Where designated as a reviewable surface water discharge permit, the U.S. Environmental Protection Agency is allowed up to 90 days to submit comments or objections regarding this permit determination. If no comments are received on the proposed permit from anyone, including U.S. EPA, the permit will be issued as proposed.

The Department may schedule a public informational hearing if requested by any person and shall schedule a public informational hearing if a petition requesting a hearing is received from 5 or more persons or if response to this notice indicates significant public interest pursuant to s. 283.49, Wis. Stats. Requests for a public informational hearing shall state the following: the name and address of the person(s) requesting the hearing; the interest in the proposed permit of the person(s) requesting the hearing; the reasons for the request; and the issues proposed to be considered at the hearing.

Information on file for this permit action, including the draft permit, fact sheet and permit application, may be inspected and copied at either the above-named permit drafter's office or the above named basin engineer's office, Monday through Friday (except holidays), between 9:00 a.m. and 3:30 p.m. Please call the permit drafter or basin engineer for directions to their office location, if necessary. Information on this permit action may also be obtained by calling the permit drafter at (608) 419-4155 or by writing to the Department. Reasonable costs (15 cents per page for copies and 7 cents per page for scanning) will be charged for information in the file other than the public notice, permit and fact sheet. Permit information is also available on the internet at:
