

STATE OF WISCONSIN DEPARTMENT OF NATURAL RESOURCES

PUBLIC NOTICE OF INTENT TO REISSUE A WISCONSIN POLLUTANT DISCHARGE ELIMINATION SYSTEM (WPDES) PERMIT No.WI-0026000-11-0

Permittee: Village of Tony, PO Box 12, Tony, WI, 54563

Facility Where Discharge Occurs: Village of Tony, SW 1/4, Section 33, T35N-R5W, Town of Dewey, South of Tony, Wisconsin

Receiving Water And Location: An effluent ditch to a wetland then into a roadside ditch to a tributary to Deer Tail Creek within the Deer Tail Watershed in the Upper Chippewa River Basin in Rusk County

Brief Facility Description and Summary of Proposed Changes: The Village of Tony owns and operates a wastewater treatment facility that consists of two stabilization ponds operated in series. The effluent discharges to an effluent ditch draining to a wetland complex tributary then road ditch flowing about one mile before entering Deer Tail Creek.

It is the Department's intention to renew the permit for another term. Limitations and conditions which the Department believes adequately protect the receiving water are included in the proposed permit. This permit was originally noticed February 15, 2024. This notice generated comments that lead to the following changes to the draft permit: [1] The proposed new permit expiration date will be June 30, 2029. Monitoring and schedules have been updated to reflect this change. [2] The influent monitoring frequency for BOD5 and TSS was reduced to twice a month. [3] An interim effluent daily maximum flow limit of 0.136 MGD is effective until the "Effluent Limitations for BOD5 and Total Suspended Solids" schedule is satisfied.

Permit Drafter's Name, Address, Phone and Email: Sheri A. Snowbank, DNR, 810 W Maple St, Spooner, WI, 54801, (715) 635-4131, Sheri.Snowbank@wisconsin.gov

Persons wishing to comment on or object to the proposed permit action, or to request a public hearing, may write to the Department of Natural Resources at the above-named permit drafter's address. All comments or suggestions received no later than 30 days after the publication date of this public notice will be considered along with other information on file in making a final decision regarding the permit. Anyone providing comments in response to this public notice will receive a notification of the Department's final decision when the permit is issued. Where designated as a reviewable surface water discharge permit, the U.S. Environmental Protection Agency is allowed up to 90 days to submit comments or objections regarding this permit determination. If no comments are received on the proposed permit from anyone, including U.S. EPA, the permit will be issued as proposed.

The Department may schedule a public informational hearing if requested by any person and shall schedule a public informational hearing if a petition requesting a hearing is received from 5 or more persons or if response to this notice indicates significant public interest pursuant to s. 283.49, Wis. Stats. Requests for a public informational hearing shall state the following: the name and address of the person(s) requesting the hearing; the interest in the proposed permit of the person(s) requesting the hearing; the reasons for the request; and the issues proposed to be considered at the hearing.

Information on file for this permit action, including the draft permit, fact sheet and permit application, may be inspected and copied at either the above-named permit drafter's office or the above named basin engineer's office, Monday through Friday (except holidays), between 9:00 a.m. and 3:30 p.m. Please call the permit drafter or basin engineer for directions to their office location, if necessary. Information on this permit action may also be obtained by calling the permit drafter at (715) 635-4131 or by writing to the Department. Reasonable costs (15 cents per page for copies and 7 cents per page for scanning) will be charged for information in the file other than the public notice, permit and fact sheet. Permit information is also available on the internet at:
