

STATE OF WISCONSIN DEPARTMENT OF NATURAL RESOURCES

PUBLIC NOTICE OF INTENT TO REISSUE A WISCONSIN POLLUTANT DISCHARGE ELIMINATION SYSTEM (WPDES) PERMIT No.WI-0020923-10-0

Permittee: City of Weyauwega, 109 E. Main St P O Box 578, Weyauwega, WI, 54983

Facility Where Discharge Occurs: Weyauwega Wastewater Treatment Facility, 103 Minton Avenue, Weyauwega, Wisconsin

Receiving Water And Location: Waupaca River in Waupaca River Watershed of Wolf River Basin in Waupaca County

Brief Facility Description: The City of Weyauwega owns and operates an activated sludge wastewater facility. Treatment processes include; preliminary treatment with vertical screening and grit removal, anaerobic selector basin and secondary-biological treatment using extended aeration activated sludge. There are 8-aeration tanks. In tank 7, ferric chloride is added and in tank 8 polymer is added to assist in solids settling. These units are followed by final clarification. Seasonal disinfection is achieved with UV disinfection from May – September. Phosphorus is removed chemically with ferric chloride. Effluent is discharged on a continuous basis via Outfall 001 to the north bank of the Waupaca River, approx. 0.25 mi east of the City of Weyauwega Dam.

The facility receives pretreated industrial wastewater from Agropur, which is located near the Weyauwega WWTP, as well as holding tank waste as hauled waste. Agropur is a cheese making facility and their wastewater makes up over half of the influent loading to the WWTP.

Permit Drafter's Name, Address, Phone and Email: Ashley Clark, 2984 Shawano Ave, Green Bay, WI, 54313, (920) 857-0450, AshleyM.Clark@wisconsin.gov

Basin Engineer's Name, Address, Phone and Email: Barti Oumarou, 625 E County Road Y, Suite 700, Oshkosh, WI 54901, (920) 424-4013, Barti.Oumarou@wisconsin.gov

The Department has tentatively decided that the above-specified WPDES permit should be reissued.

Persons wishing to comment on or object to the proposed permit action, or to request a public hearing, may write to the Department of Natural Resources at the above-named permit drafter's address. All comments or suggestions received no later than 30 days after the publication date of this public notice will be considered along with other information on file in making a final decision regarding the permit. Anyone providing comments in response to this public notice will receive a notification of the Department's final decision when the permit is issued. Where designated as a reviewable surface water discharge permit, the U.S. Environmental Protection Agency is allowed up to 90 days to submit comments or objections regarding this permit determination. If no comments are received on the proposed permit from anyone, including U.S. EPA, the permit will be issued as proposed.

The Department may schedule a public informational hearing if requested by any person and shall schedule a public informational hearing if a petition requesting a hearing is received from 5 or more persons or if response to this notice indicates significant public interest pursuant to s. 283.49, Wis. Stats. Requests for a public informational hearing shall state the following: the name and address of the person(s) requesting the hearing; the interest in the proposed permit of the person(s) requesting the hearing; the reasons for the request; and the issues proposed to be considered at the hearing.

Information on file for this permit action, including the draft permit, fact sheet and permit application, may be inspected and copied at either the above-named permit drafter's office or the above named basin engineer's office, Monday through Friday (except holidays), between 9:00 a.m. and 3:30 p.m. Please call the permit drafter or basin engineer for directions to their office location, if necessary. Information on this permit action may also be obtained by calling the permit drafter at (920) 857-0450 or by writing to the Department. Reasonable costs (15 cents per page for copies and 7 cents per page for scanning) will be charged for information in the file other than the public notice, permit and fact sheet. Permit information is also available on the internet at:

<http://dnr.wi.gov/topic/wastewater/PublicNotices.html>. Pursuant to the Americans with Disabilities Act, reasonable accommodation, including the provision of informational material in an alternative format, will be made to qualified individuals upon request.
