

2022 Wisconsin Continuing Education Attendance Form

Use this form to record Wisconsin continuing education sessions attended. Determine which presentations are approved by the Wisconsin DNR for the license(s) or registration(s) that you hold. Some presentations may not be approved for all license types.

When completed, give this form to the course provider before leaving. You must turn in this form to receive credit for attendance.

The provider will forward the information to DNR. Use a separate form for each day of a conference.
