

## 2022 CONTINUING EDUCATION TOPIC BY LICENSE TYPE

TOPIC*	LICENSE / REGISTRATION TYPE		
	PIP	WDP WDRO	HEDI HEDRO
Pump Installation Methods	X		
Pump Installation Requirements	X	X	
High Capacity Pump Installation	X		
Water Sampling: Requirements and Procedures	X	X	
Water System Maintenance	X		
Disinfecting Wells & Water Systems	X	X	
Groundwater Quality or Contamination	X	X	X
Water Quality and Health	X	X	
Water Treatment	X	X	
Laboratory Testing Procedures	X	X	
Water Well Filling & Sealing	X	X	
Property Transfer Well Inspections	X	X	
Complying Well Locations	X	X	
Existing Installations	X	X	
Water Well Drilling Methods		X	
Water Well Drilling Requirements	X	X	
High Capacity Well Construction		X	
Driven Point Wells: Requirements and Methods	X	X	
Water Well / Heat Exchange Loop Rehab: reconditioning & chemical mixing	X	X	X
Annular Space Sealing: Requirements and Methods		X	X
Heat Exchange Drilling: Requirements and Methods			X
Heat Exchange Drillhole Filling and Sealing			X
Heat Exchange Calculations			X
Heat Exchange Systems			X
Wisconsin Geology or Hydrogeology	X	X	X
Drilling Technology		X	X
WWWA / NGWA Trade show attendance: Limit 1 hour per license	X	X	X

Safety Practice in the Groundwater Industry: Limit 3 hours per license			
Electrical Basics, Controls & Safety	X	X	X
Diggers Hotline Requirements	X	X	X
DOT Regulations/Requirements related to vehicle use and safety	X	X	X
OSHA requirements and safety.	X	X	X
Methane gas occurrence, effects and precautions Limit 1 hour per year, unless course provides certification	X	X	X
Confined Space Entry: Limit 1 hour per year, unless course provides certification	X	X	X
Trenching Safety: Limit 1 hour per year unless course provides certification	X	X	X
