

RENEWALS FOR 2026 BEGIN 10/01/2025 - ALL LICENSES EXPIRE 12/31/2025

RENEW ONLINE: [Environmental Licensing and Certification Online Renewal Portal \(wi.gov\)](https://www.wisconsin.gov/licensesandregistrations/renewal)

- Renewing online will save you time and postage.
- License cards are immediately available for printing – no waiting for arrival by mail.
- No transaction fee is required when renewal fees are paid by electronic transfer from your bank.
- Problems associated with paper “renewal by mail” application forms are avoided:
 - Old or incorrect mailing address on record at the DNR (you do not receive the application)
 - Rig operator and business renewal applications are not signed by the supervisor
 - Registration renewal applications are submitted before the supervisor has renewed
 - Wrong fee payment or missing late fees when an application is mailed after December 31

TWO STEPS TO RENEW:

1. *You need to be eligible for renewal:*

- Check your CE attendance status online: [Driller/Pump Installer Continuing Education Status \(wi.gov\)](https://www.wisconsin.gov/licensesandregistrations/ce)
- Individual license holders become eligible after attending 6 hours of continuing education.
- Business registrants become eligible after their supervisor has renewed.
- Rig operator registrants become eligible:
 - after attending 6 hours of continuing education
 - after their supervisor and their employer have renewed

2. *Apply for renewal online or by mail:*

- The online renewal portal opens October 1.
- Hard copy renewal forms are mailed to all eligible applicants starting October 1.
- Periodic mailings go out to all who become eligible up to November 30, 2025.
- Disregard an application you receive by mail if you have already renewed online.
- No renewal will be mailed to applicants who become eligible for renewal after November 30.
- All licensees and registrants who become eligible after November 30 must renew online.

Online e-Payment Services tips:

The screenshot shows the login page for the State of Wisconsin's e-Payment Services. At the top left is the Wisconsin state seal. The header reads "State of Wisconsin" in gold and "e-Payment Services" in blue. Below this is a grey bar with the text "Welcome to the Electronic Payment System" in blue. The main content area is white and contains the instruction "Please enter your User ID and Password and click Log In." There are two input fields: "User ID" and "Password". To the right of each field is a blue link: "Forgot Your User ID?" and "Forgot Your Password?". Below the input fields is a red "Log In" button. At the bottom of the page are two blue links: "Register" and "Pay Without Registering".

- Select “[Pay Without Registering](#)” at the bottom of the page.
- You could also select “[Register](#)” to create an [e-Payment Services](#) account. With an account, you have the ability to log in using the *User ID* and *Password* that you create to pay fees without reentering bank or credit card account information for each renewal. This is preferred by those who need to process several renewals.
- Most applicants use the “[Pay Without Registering](#)” option.
