White Pine	1350	226
Red Maple*	240	0
Red Pine	90	25
Oak	60	0

*Includes small amounts of birch & cherry

Scaled Sale

Minimum Bid Value = \$17,142.00

Special Operating Requirements:

1. ***This sale is located within the 25-mile Heterobasidion Root Disease (HRD) buffer area, and requires stump treatment unless harvested between December 1 and March 31. Treatment must be performed by a Certified Pesticide Applicator. Treatment involves chemically treating all fresh-cut stumps of pines of merchantable size by applying a herbicide containing disodium octoborate tetrahydrate. Treatment shall be made as soon as possible and no later than one day after harvest and a dye product shall be added to liquid solutions for inspection purposes. The cost of this application can vary based on application method and harvest conditions; but should be considered when submitting bids on these timber sales.***
2. No biomass harvesting is allowed on this sale due to poor soil nutrient levels.
3. **All pine products cut between March 1st and August 30th must be removed from the sale area within three weeks from time of cutting. Pine products cut during the remainder of the year must be removed before March 15th.**
4. This sale contains very large diameter (30"+) white pine that may not be suitable for mechanized harvesting equipment. Contractors will be expected to harvest these trees, via chainsaw if necessary.
5. The sale boundaries include North Settlement Rd, a clear cut, and red paint lines.

General Requirements:

1. All designated tree species must be cut and forwarded concurrently with the sale.
2. All stumps shall be no higher than the stump diameter, or 10 inches, whichever is less.
3. Slash must be evenly lopped/scattered within the sale boundary and shall be deposited a minimum of 10 feet from the mowed right-of-way of any highway, town road, or recreational trail. Slash within 50 feet of all town roads and recreational trails must lie within 2 feet of the ground. Do not bury seedlings or saplings with slash.
4. Do not cut or knock down any dead or hollow trees. These are important wildlife habitat. Any that must be cut shall be left in big pieces on the forest floor.
5. Utilization: cut and use all designated trees with one or more 100" sticks to a 4" top diameter.
6. Notify the DNR Forester (Nick Randall 715-586-8233) before you start the job, and each time you pull out or return to the job.
7. Any new roads and all landings must be approved by a DNR Forester before operations begin.
8. Any berms removed during harvesting operations must be put back to the satisfaction of the DNR Forester.
9. Any trees cut or pushed over for roads or landings must be utilized or cleaned up to the DNR Forester's satisfaction.
10. Contact the Town of Millston at 715-284-0913 prior to beginning logging operations. A permit is required for hauling heavy loads and equipment on all town roads year-round.
11. **Wisconsin's Best Management Practices for Invasive Species applies – contractor must clean equipment before entering and leaving the sale area! This involves brushing away all dirt and cleaning air intakes of debris.**

Timber Sale Bid

Form 2400-049 (R 07/22)

Notice: Completion of this form is mandatory. The Department will not recognize your bid unless you complete and submit this form. Personal information collected will be used for program administration and may be provided to requesters as required by Wisconsin's Public Records law [ss. 19.31-19.39, Wis. Stats.].

Performance Bond

Will be in the form of: (select one)

☐ Personal Check

☐ Assurance Bond

☐ Certified Check/Money Order

☐ Certificate of Deposit

☐ Irrevocable Letter of Credit

☐ Assignment of Savings Account

I understand that any or all bids may be rejected and that consideration and awarding of a contract will be based upon my past performance and ability to complete contracts. I also understand that if I am the winning bidder, I have 6 weeks from the date of the bid opening to submit an acceptable performance bond. I also understand that if I am awarded the contract and fail to execute it or work under it, I will be required to forfeit to the Department an amount equal to 10% of my total bid amount. Failure to forfeit the 10% penalty will result in being considered ineligible to bid on any state timber sales for a two-year duration. In the event the highest bidder can not or will not sign the contract, the award may be made to the next highest qualified bid.

☐ By checking this box, I certify that I hold a Wisconsin Master Logger Certification.

Notice: I understand:

Utilization specifications and estimated volumes are listed in the prospectus which is available upon request from the Department.

A copy of the standard timber sales contract which must be entered into is available upon request from the Department.
